Products – ISM

Message from ISM:

ISM Enterprises is the only company in America focused on manufacturing carton closing staples, utilizing American talent, ingenuity and craftsmanship. We value, and share the commitment to keep manufactured goods, and the jobs they create, here in the United States. We take pride in providing you the finishing detail in safeguarding your valuable products with reliable ISM carton closing staples and tools.

Portable stapling machines designed to guarantee your products' safe, secure delivery by locking the cartons flaps tightly together with strong, steel, wide crown staples.
