

# ABM Replacement Inks for Alpha-Dot® Midjet™ Inkjet Printers

New ink container is 100% compatible with Alpha-Dot one liter bottle. Lower your ink cost with high quality ABM inks

In addition to the Standard High Contrast Black, inks for Alpha-Dot printers are available in Black, Blue, Red, Green and UV Visible. Custom colors and formulations can be provided to meet the special needs of your applications.

ABM can supply all your fluid needs for your Alpha-Dot printer, including inks, solvent and nozzle wash.

ABM also supplies high quality inks for all popular inkjet printers including Marsh®, Videojet®, Little David®, Foxjet®, Diagraph®, Willett®, ITI®, Matthews®, Weber®, and Fas-co®.

Inks are available in formulations for standard valve-jet drop-on-demand, Hi-resolution peizo-electric and continuous jet inkjet printers.

Visit our website or contact us for more information about our inks to suit your printers or your special applications.
